Press Release 216/2021

Chief Minister Dr. Sarma dedicates an automated multi-level car parking to people

Unveils a portal to ensure safety and wellbeing of GMC workers

Dr. Sarma presents a vignette of government's plan for creating Guwahati's physical infrastructure

Dispur, August 16: In yet another step towards creating physical infrastructure for Guwahati city, Chief Minister Dr. Himanta Biswa Sarma today dedicated an automated multi-level car parking to the people at Panbazar near the premises of Mahendra Mohan Choudhury Hospital here today.

The automated multi-level car parking has the capacity of accommodating 240 cars and was built involving a financial outlay of Rs. 11 crore.

Speaking on the occasion, Chief Minister Dr. Sarma while welcoming the new project which will add convenience to the city dwellers said that located at the heart of the city the new automated multilevel car parking would greatly reduce the problem of car parking for the people going to Pan bazar or Fancy bazar areas. He also said that the facility would also address the haphazard parking on the road side leading to streamlining of vehicular traffic.

He, however, sought the cooperation of the people in general and requested them to use new car parking. He also asked Housing and Urban Affairs Minister Ashok Singhal to make the automated multilevel car parking one at Panbazar and other at Zoo Road near Shradhanjali Kanan free for the users till December 2021.

Reiterating his government's commitment to the development of Guwahati, Chief Minister Dr. Sarma said that the unutilised and open government lands in Guwahati city will either be used for creating green areas or for parking lots. He also said that considering Guwahati as the Gateway to North Eastern states, his government has already formed a vision blue-print for transforming Guwahati into a tier-1 city. He, said that corresponding to the blue-print his government will implement the blue print for creating physical infrastructure. As a part of this blue print, six lane elevated road will be laid from Guwahati Club to Noonmati. Moreover, a ring road connecting the Airport to Sualkuchi via Palasbari over the Brahmaputra connecting Sipajhar via Baihata and linking Narengi via Kuruwa over the Brahmaputra would be built. He also said in six divisions of GMC areas, solid waste management projects will be constructed. Moreover, plans are also on the anvil for the Brahmaputra River Front project the work of which will start very soon.

In the same programme, Chief Minister Dr. Sarma also unveiled a new portal to ensure welfare, wellbeing and safety to GMC workers. On this occasion, he presented five SIMs to five GMC workers to mark the inauguration of the project which will help 2500 workers.

It may be noted that the portal is an intelligent SIM based mobile solution which would adequately be used to track the GMC workers while on duty during any exigency.

Housing and Urban Affairs Minister Ashok Singhal, MP Guwahati Lok Sabha constituency also spoke on the occasion.

Vice Chairman Mukuta Deka, Additional Chief Secretary Urban Affairs Manindar Singh, Commissioner GMDA Debashish Sharma and a host of other dignitaries were present on the occasion.
