No. 75/2021

CM reviews progress of infrastructure projects implemented by PWD

CM directs to engage PMC for projects above 100 crores

Dispur, May 29: In a meeting with the senior officials of PWD (Building) and Health Department, Chief Minister Dr. Himanta Biswa Sarma took a review of several infrastructure projects and directed to fast track the implementation process.

The Chief Minister took stock of progress of construction of the Super Specialty Hospital at GMCH, 500 Bedded Emergency Hospital at SMCH, Assam Convention Centre and State Guest House at Guwahati, Madhavdeb Kalakshetra at Narayanpur and various Medical Colleges in the State.

While directing the PWD department to complete the projects within a stipulated timeframe, the Chief Minister asked to expedite construction of Dhubri, Nagaon, Nalbari and Tinsukia medical colleges. He also instructed the Health Department to take necessary steps for launch of academic session at Dhubri or Nalbari Medical College from next year.

The Chief Minister also reviewed the progress of Charaideo, Biswanath and second medical college at Guwahati and asked the department to resolve issues relating to land allotment and engagement of architect for Morigaon and Dhemaaji Medical Colleges within a month.

Chief Minister Sarma further directed the Public Works Department to mandatorily engage "Project Management Consultants" for projects which are above 100 crores.

The Chief Minister during the meeting also released three booklets on latest schedule of rates of PWD (Building) and PWD (State & NH).

Principal Secretary of Health Anurag Goel, Commissioner & Special Secretary of PWD (Bldg) Raj Chakraborty and other senior officers were present in the meeting.
