CM reviews Skill, Employment and Entrepreneurship Department

Start online portal to enable unemployed youths to register themselves: CM

Dispur, June 30: Chief Minister Dr. Himanta Biswa Sarma today reviewed the functioning of the Skill, Employment and Entrepreneurship Department and Directorate of Employment & Craftsman Training at his conference hall at Janata Bhawan and issued several directions. A detailed presentation of the activities of the department was also given at the beginning of the meeting.

For smoothening and simplifying the process of online registration of unemployed youths, the Chief Minister directed the department to launch an online portal for facilitating free of cost registration linking their ADHAAR numbers. He also directed to include the option to delete one's name in the portal by the registered job seekers after finding employment. Similarly, there must be provision of auto deletion of names if the registered candidates do not renew their registration within stipulated time, he added.

He also directed to make the six under construction ITIs in the state functional at the earliest while taking steps for creating required new posts there. He also issued instruction to appoint a Vice Chancellor at the Assam Skill University soon to expedite activities of the university.

The Chief Minister instructed for taking steps by the ITIs to impart vehicle driving training to 5000 youths in the state in convergence with Transport Department.

Skill, Employment and Entrepreneurship Department Minister Chandra Mohan Patowary, Principal Secretary to the Chief Minister Samir Kumar Sinha, Principal Secretary of Skill, Employment and Entrepreneurship Department K.K. Dwivedi were present in the meeting.
