Press Release No. 121/ 2021

**Chief Minister Dr.Sarma visits Brahmaputra Valley Fertiliser Corporation Limited;
takes stock of its works**

Suggests means to make the plant commercially more profitable

Dispur, June 19: Chief Minister Dr.HimantaBiswaSarma as a part his Upper Assam tour visited Brahmaputra Valley Fertiliser Corporation Limited (BVFCL) at Namrup in Diburgarh district today and took a comprehensive review of the status of its plants and proposed efforts for commissioning of fourth plant.

The Chief Minister enquired about the reasons for the sub optimal performance of the PSU and discussed to find out ways and means to make the plant commercially profitable.

The Chief Minister suggested more professional approach and transparency in the management of the PSU besides adopting innovative approach to make the PSU more profitable.

The Chief Minister also interacted with the employees union and the contractual employees of BVFCL during his visit.

Union Minister of State for Food Processing Industries RameswarTeli, Agriculture Minister Atul Bora, Power Minister Bimal Bora, MLAs Taranga Gogoi and TerosGowala were also present in the meeting.
