**CM visits Charaideo Medical College construction site**

**Charaideo to be made a developed district: CM**

**Dispur, Jan 6:** Chief Minister Dr. Himanta Biswa Sarma today inspected the construction work of Charaideo Medical College and reviewed its progress in a meeting with Guardian Minister of the district Bimal Bora, district administration and top officials of PWD.

It is to be mentioned that the medical college, being built with an amount of Rs 467.66 crore on a plot of 100 bighas, is scheduled to be completed within 36 months. 13 percent of the project is completed so far and the Chief Minister directed the concerned officials to expedite the construction works so that people can get quality health service at the earliest.

Laying emphasis on the earthquake resistant architecture of the building, the Chief Minister reviewed the patient friendliness of the hospital's design along with OPD room, OT etc while stressing on the importance of keeping provisions for extending the academic building in future for dental college, nursing college etc. He also took stock of construction plan of the paying cabin, residential quarters for doctors and officials, hostel for students etc.

After the review meeting, the Chief Minister remarked that the state government has been taking steps to develop Charaideo district in a new way. He informed about the construction plans of DC office, stadium etc in the district.

Revenue and Disaster Management Department Minister Jogen Mohan, MP Topon Gogoi, MLA Dharmeswar Konwar were also present in the meeting.
