

JANASANYOG, ASSAM
CHIEF MINISTER'S PUBLIC RELATIONS CELL, DISPUR

PRESS RELEASE

No. 437/2020

CM directs district administration and WR Deptt. to take prompt steps for erosion control at Mohanaghat in Dibrugarh

Dispur, June 19: Chief Minister Sarbananda Sonowal directed Dibrugarh district administration and Water Resources Department to take expeditious measures for control of erosion at Mohanaghat in the district today. He asked the administration to take steps in coordination with local people in this regard and to keep sufficient stock of materials for anti-erosion activities at the site.

Noteworthy that sudden rise of water level of river Brahmaputra caused erosion at Mohanaghat in the district.

The Chief Minister also directed the officials of Water Resources Department to work in shifts to speed up anti-erosion activities and to maintain strict vigil at the site.
