Sonowal condoles veteran photo journalist's death

Dispur, February 22: Chief Minister Sarbananda Sonowal condoled the death of veteran photo journalist Tarani Kanta Barman who breathed his last on Saturday.

In a condolence message here today, Chief Minister Sonowal said, "I am deeply pained by the news of the demise of photo journalist Tarani Kanta Barman who created a niche of himself in field of sports photography". Late Tarani Kanta Barman was an established name in the sports photo journalism who gave altogether a different aura to the genre of photo journalism. His death would definitely create a void which would be difficult to fulfil.

"My heartfelt empathy with the members of the departed family. I pray to God for eternal peace of the departed soul", Sonowal added.
