CM inaugurates newly constructed building of Hojai Police Station

New buildings of Pulibor, Hamren and Sonari PS inaugurated virtually

Dispur, February 14: Chief Minister Sarbananda Sonowal today inaugurated the new building of Hojai Police Station which was constructed under MOITRI Scheme of the Assam government. The Chief Minister on the occasion also inaugurated Pulibor, Hamren and Sonari Police Station virtually.

Speaking in a meeting held on the occasion, Chief Minister Sonowal said that the initiatives taken up for infrastructure strengthening immensely helped in building better work culture among police personnel for achieving significant success in maintaining law and order in the state. The Chief Minister said that the previous congress government did not take any notable step for police modernization. However, the interventions of the present government gave a new stimulus to Assam Police boosting their morale and infusing new zeal for work.

Further underlining better police public relations, the Chief Minister said that Assam Police would earn more trust and confidence from public if they continue to work with greater dedication and commitment. He at the same time also lauded the prompt steps taken by the police for prevailing over criminal activities and submitting chargesheet in record times which facilitated better conviction rate. He also praised the Assam police for their role in the fight against corruption. Moreover, saying that the Assam government undertook measures for building a smart police force in the state, he stressed on adopting advance practices in dealing with crimes and criminals by the police.

While DGP Bhaskarjyoti Mahanta delivered the welcome speech MLAs Siladitya Deb and Shibu Mishra, Chairman of Assam Tourism Development Corporation Jayanta Malla Baruah, Managing Director of Assam Police Housing Board Arabinda Kalita, Deputy Commissioner Hojai Dr. Sadnek Singh, SP Hojai Manabendra Dev Ray and other dignitaries were present on the occasion.
