PRESS RELEASE

Press Release No. 184/2020

Sonowal talks to his Meghalaya counterpart over phone; requests disruption-free movement of vehicles carrying essential items

Dispur, April 17: In view of the situation created by the outbreak of novel coronavirus across the country and its fallout in North East, Chief Minister Sarbananda Sonowal today spoke to his Meghalaya counterpart Conrad Sangma over phone and requested him to ensure hassle-free transportation of the vehicles carrying essential commodities from Guwahati to Barak Valley and vice versa through Meghalaya.

He said that since vehicles carrying essential commodities for the locked down Barak Valley pass through the territory of Meghalaya, a helping hand from the authorities of Meghalaya enables the State government Assam to reach out to the people of Barak Valley faster. Chief Minister Sangma assured Sonowal of taking adequate steps for ensuing seamless transportation of essential commodities through Meghalaya without any disruption. Both the Chief Minister also talked on the situation created by the corona pandemic and steps taken by both the neighbouring states to contain the outbreak.
