CM reviews COVID-19 situation

Meet finalizes lockdown relaxation guideline

Dispur, July 17: Chief Minister Sarbananda Sonowal reviewed the COVID-19 situation in the State today. The Chief Minister in the meeting that held at his official residence at Kharghuli in Guwahati took stock of the steps taken by the Health Department for treatment of COVID-19 patients and isolation as well as quarantine arrangements made by the Health Department.

As the Government decides to relax lockdown from Monday, the meet discussed and finalized the guidelines to be made effective in the city. The Chief Minister directed to take adequate measures to ensure strict compliance of Health Department guidelines during the lockdown relaxation period.

Chief Minister Sonowal also assessed the challenges faced by people during lockdown and measures taken for ensuring their good health. Further, the meet discussed the strategy to be adopted if the number of COVID-19 positive continues to increase in future.

Principal Secretary of Health Department Sameer Sinha apprised the Chief Minister about the latest COVID-19 situation in the State and the steps taken by the department to control the same.

Chief Secretary Kumar Sanjay Krishna, DGP Bhaskarjyoti Mahanta, CM's Principal Secretary Sanjay Lohiya were also present in the meeting.
