PRESS RELEASE

Press Release No. 118/2019

Sonowal launches Ro Ro services between Guwahati and North Guwahati along three ferry services

Dispur, February 28: Chief Minister Sarbananda Sonowal launched Ro Ro Ship service MV Sankardeva along with other three vessels namely MV Puthimari, RPL Burahdia and RPL Barahi which will operate between Guwahati and North Guwahati across the Brahmaputra at a function held at Durga Puja Kshetra in North Guwahati today.

In the same programme Chief Minister Sonowal also distributed land pattas to 225 families displaced because of setting up of IIT-Guwahati. He also laid the foundation stone of North Guwahati Stadium and inaugurated ANNA scheme. He also unveiled the website of Assam Inland Water Transport Development Society.

Speaking on the occasion, Chief Minister Sonowal said that ever since the present BJP led government has come to power it has been working passionately to bring about all round development in all sectors of the state. He also said that for the equal development of all sections of the people of state belonging to Barak, Brahmaputra, Hills and plains, his government has been working assiduously. He also said that because of his government's unconditional tirade against corruption 55 thousand youths of the state have secured employment in the state on exclusively on merit. He also said that for stimulating skills of the youth of the state, Government of Assam in association with Singapore will set up Skill University so that the university besides increasing the employability of the youths of the state they can empower the youth to provide jobs to others.

He also said that the BJP led government is a government of the indigenous people and under no circumstances the government will act against the interests of the people of the state. Reiterating the importance of North Guwahati, Sonowal said that the place witnessed great war where Lachit Borphukan defeated the great Mughals. Therefore, this place personified courage, valour and is a testimony of a glorious history.

Health and Family Welfare Minister Dr. Himanta Biswa Sarma while speaking on the occasion gave a brief snapshot of the different development schemes that the government has undertaken for the welfare of all sections of the people. He also said that in the coming days the government would launch several other schemes for facilitating connectivity of the district.

Industry and Commerce Minister Chandra Mohan Patowary also spoke on the occasion. MP Bijoya Chakraborty, MLA Angoorlata Deka, Chief Minister's Media and Legal Advisor Hrishikesh Goswami and Santanu Bharali along with a host of dignitaries were present on the occasion.
